

PRINCIPAL'S MESSAGE

Term 2 goes very quickly, but there is much important learning that happens from January to March. Staff recently met to review samples of student learning. It was amazing to see the growth in literacy and numeracy showcased by journal samples from the fall and winter. Our students change so much in just a few months that the learning is obvious and rewarding to witness.

On behalf of our staff at Lindsay Park, I wish you a restful and relaxing Spring Break. Hopefully everyone who has been sick has time to recover. After a busy few months, some quality time with family and friends is much needed. Enjoy the break! Once everyone returns in April, brace yourself for the fastest part of the school year – the month of 'Aprilmayjune'.

All the best, Dan Clark.

REPORT CARDS

Report cards came home on Monday March 11th. If you have any questions or concerns, please reach out to your child's teacher. Once you have reviewed the report card, please send the envelope back to school.

TOYS

Play is an important part of learning in K-3 and each class has a range of toys for morning choice time. Kindly keep personal toys and stuffies at home. Sending toys to school with your child creates the potential for loss or damage to these important items, which can create conflict between students that staff need to manage. Your cooperation with this is much appreciated!
